

2018 Annual Conference Program Award Submissions

Greetings from the members of the NAASS Western Region – Program Awards Committee!

We invite your institution to submit in one or more of the program categories listed below. The submission can be for a new or existing program that has been successful for many years and considered for the *award* or for *review only*.

Either way, please share your *secrets of success!* We summer administrators need all the creative inspiration that exposure to other successful summer programs offers. Just mark the applicable box when submitting your materials and be sure to use a separate form (below) for each submission.

Program Award Categories:

- **Best Credit Program**
- **Best Non-Credit Program**
- **Best Administrative Program**
- **Carol Switzer Award* “Best Use of a Stolen Idea”**
(This is a unique category that awards institutions for stealing program ideas from other institutions and building upon them, then, of course, sharing all the juicy details about the outcomes. So considering this be sure to include the institution from which the idea was stolen and how you transformed it because if you win this award category, so does the institution from which you stole it!)

Complete the attached form and submit it to: memcreynolds@csuchico.edu by **Aug. 31, 2018.***

** NOTE: if submitting for the award(s) please ensure a representative from your institution attends the conference.*
