

# Award Winning Big Ideas

We heard you! Your conference feedback requested a more inclusive, sharing experience. So, instead of individual awards we have designated a time slot for an *Award Winning Big Ideas* poster session. During this poster session, institutions may share an award winning idea with all conference attendees. The following applies.

- Submit your *Big Idea* using the [NAASS Proposal Submission Page](#).
- Select *Big Idea Poster Session* from the Presentation Type dropdown menu.
- One *Big Idea* proposal per institution.
- You **must** be present to share information about your *Big Idea* during the poster session.
- Poster presentation tri-folds boards should be no larger than 36" x 48".
- You may display your *Big Idea* on a self-supplied computer monitor.
- See the “**shipping**” link on this page for instructions on shipping a package to the hotel. Please note the hotel charges \$25 for packages received more than five day prior to the conference.
