New Administrator Spotlight

Each month, we will be featuring one of our New Administrators!

This month we have the pleasure of featuring Ashley June Moore, who is also our North Central Regional Vice President. We are grateful for her many contributions to the NAASS community.

New Administrator Spotlight

Ashley June Moore

Institution: Washington University in St. Louis

Position: Director of Summer Session & Programmatic Initiatives

Why did you choose to pursue a career in higher education?

As a first generation college student, I was fortunate to attend Washington University where I had faculty and staff mentors who took the time to know me by name and by story. I chose to pursue a career in higher ed as a way to "pay it forward" and provide the same type of support and encouragement I received to current students.

Stay tuned for more New Administrator Spotlights moving forward!
